Work experience

Inex Studio

Unity Developer, Jan 2023 - Present

- Developed hyper-casual games for WebGL, Android, iOS, and PC (Steam).
- Created a VR game using Unity's XR toolkit for WebGL and Android.
- Contributed to Flirt Master 3D, a game published by Moonee, achieving 1M+ downloads and a 4.05-star Google Play rating.
- Implemented analytics and ad systems to optimize monetization and engagement.
- Worked with cross-functional teams to ensure timely, high-quality project deliveries.

Joyixir OÜ

Unity Developer, Jan 2020 - Jan 2023

- Developed multiple hyper-casual mobile games with publishers like Voodoo, Supersonic, and Moonee.
- Worked on Kalamatic, a casual game with 50K DAU, increasing IAP revenue by 150% and reducing bugs by 80%.
- Utilized advanced debugging techniques and closely collaborated with design and publishing teams to meet quality standards.

Skills
